Contractor Scoring Tool

Here are some helpful questions you should ask prospective contractors in order to properly assess:

- Your financial risk with each contractor
- Their reliability and professionalism
- The likeliness of a successful and on time project
- The probability of a long-term relationship with the contractor

Questions to Ask Contractors to Assess:	PIP	Other Bidder	Other Bidder
A- Financial Risk			
Do they carry Liability and Workmen's Comp Insurance?	Yes	_____	_____
Do they use their own employees, not subcontractors?	Yes	_____	_____
B- Reliability and Professionalism			
Do they belong to a professional association such as PDCA (Painting and Decorating Contractors of America)?	Yes	_____	_____
Are they accredited by a national organization?	Yes	_____	_____
C- Likeliness of a Successful and on time project
